

Trevor Dauphinee, CEO, Invest Ontario

Bio

Invest Ontario's CEO, Trevor Dauphinee, is a leader with a unique blend of experience from both the private and public sectors.

Trevor understands the challenges and opportunities faced by businesses when it comes to investment decisions. He has over a decade of experience in the automotive, chemical, and consulting sectors, including extensive sales and account management with Dow Chemical.

Trevor has also held executive leadership positions at the Ontario Ministry of Economic Development, Job Creation and Trade, Treasury Board Secretariat, and the Ministry of Infrastructure, specializing in investment attraction and capital planning. He is recognized for his exceptional ability to forge strong and long-lasting relationships with investors, partners, companies, industry leaders and staff.

Trevor is a leader who gets things done. In just two short years, he has taken the agency from concept to securing over \$2 billion in investments that have contributed to advancing Ontario's prosperity.

Invest Ontario plays a crucial role in bridging the gap between business and government to drive economic growth in the province. With Trevor at the helm, the agency is delivering on its mandate of securing high-value and strategic investments that create high-quality jobs and growth in Ontario.
